

AARHUS

Aarhus – Executive Ergonomic Chair

Designed for executive offices and high-level workspaces, the Aarhus combines refined aesthetics with advanced ergonomic performance for daily professional use.

Featuring a high backrest with integrated head support, Aarhus is upholstered in quality PU leather with high-density molded foam and CAL-117 flame retardant certification, ensuring both comfort and durability over time. The synchronized Donati mechanism with multi-position locking, tension adjustment, front tilt, and seat sliding function allows precise ergonomic customization to support a wide range of working postures.

Equipped with 3D adjustable armrests with aluminum supports and PU pads, a Class 3 gas lift, and a polished aluminum base, Aarhus offers a perfect balance of stability, functionality, and executive presence.

Designed to meet the expectations of demanding users, Aarhus delivers comfort, control, and

long-lasting performance in professional environments.

Options include adding air lumbar support and swapping upholstery from PU to premium Gabriel fabric.
