

ARCTIC DESK

A sleek and versatile workstation designed for modern offices. The Arctic desk features a sturdy metal frame with 58×58×60 mm legs (metal thickness 1.5 mm) and adjustable support beams (25×40 mm - metal thickness 1.2 mm), ensuring stability and durability. Available in widths from 120 to 180 cm and depths of 60 or 80 cm, it suits a wide range of workspaces.

Choose from 11 top finishes and leg colours in silver, black, or white. Optional cable management holes and compatibility with extensions like modesty panels and returns make it a practical, flexible solution for any setup.
