

FORMA DESK

Forma Executive Desk combines modern elegance with robust construction for executive workspaces. Available in multiple large-format sizes, Forma features a 25 mm E1-grade MDF tabletop with waterproof treatment and a refined two-color beveled edge paint finish. The sub-cabinet is built from E1-grade solid wood particle board with durable 1 mm PVC edge banding, while the stand is finished with waterproof painted MDF. Functional hardware includes an aluminum alloy flip-cover wire box, smooth 14 cm three-section guide rails, and clean beveled-edge handles—delivering both performance and a sophisticated, contemporary look.
