

HAVEN

"Cover material: imported fabric/ domestic fabrics;

Internal material:

- 1.High-quality 12mm thick plywood;
- 2.Imported pine wood from New Zealand and domestic eucalyptus;
- 3.Adopt high-density foam;

Process:

Adopt inter-cotton process (10mm thick foam is attached to the bottom of the fabric and then crimped at an interval of 40mm)

Use benzene-free adhesive to bond the foam and floss, no waste liners inside."
