

ODENSE

Odense - Ergonomic Task Chair

Designed for everyday professional use, the Odense combines ergonomic functionality and reliable performance to support a wide range of work environments.

Featuring a ratchet-adjustable backrest and high-density molded foam with CAL-117 flame retardant certification, Odense provides consistent comfort and support throughout the day. The Donati self-weight synchronized mechanism automatically adapts to the user, offering smooth reclining with intuitive multi-position locking for effortless ergonomic adjustment.

Upholstered in durable fabric (120,000 abrasion rubs), Odense is built to withstand daily use while maintaining comfort and appearance over time.

Equipped with fully adjustable 4D armrests, a Class 3 gas lift, and a reinforced nylon base with glass fiber, Odense ensures stability, flexibility, and ease of use across different working positions.

Available in mid-back and high-back versions, with optional 3D adjustable headrest, Odense adapts to various user needs and workspace configurations.

Options include air lumbar support, aluminum base upgrade, and premium Gabriel fabric upholstery.
