

PIANO DESK

Piano Executive Desk blends refined design with professional functionality. Designed for modern executive offices, Piano is available in multiple sizes to suit different layouts. The tabletop and side cabinet are made from E1 solid wood particle board with PVC edge banding, combined with E1 MDF bevel edges finished in imported PVC leather. Practical features include a multifunction wire box, smooth three-section guide rails, a patented egg-shaped password lock, and a reserved socket hole. All panels are fully edge-sealed for durability, cleanliness, and environmental safety.
