

TITAN

Designed for intensive, round-the-clock environments, the Titan is a true 24/7 performance chair built for control rooms, call centers, and mission-critical workspaces.

Featuring a reinforced structure and high-density molded foam, Titan delivers exceptional durability and long-term seating comfort. The ratchet-adjustable backrest ensures precise lumbar positioning, while the synchronized Donati mechanism with multi-level locking and seat sliding function allows fully ergonomic adjustment throughout extended shifts.

Upholstered in high-resistance fabric (120,000 abrasion rubs), Titan is engineered to withstand continuous daily use without compromising comfort or performance.

Equipped with 4D adjustable armrests, a heavy-duty Class 3 gas lift, and a six-leg reinforced nylon base with foot-grip design, Titan provides maximum stability, adaptability, and reliability for demanding professional environments.

Low version without headrest. High version with 3D adjustable headrest.

Front tilt and lumbar air bag are available as options.
